

# It Starts with INFRAM... Where it Ends is Up to You

3 Ways to Leverage the World's Most Powerful Healthcare Infrastructure Assessment

## INFRAM

The 8 stage  
HIMSS Analytics  
Infrastructure Adoption Model  
helps healthcare leaders assess  
and map the technology  
capabilities required to reach their  
organization's infrastructure goals.

**INFRAM Assessment**

**Strategy Mapping**

**Quadruple Aim Roadmap**

## INFRAM+

VertitechIT's  
proprietary strategy mapping  
correlates INFRAM results with  
clinical goals and provides an  
initial IT roadmap for budget and  
leadership consensus building.
